RELIABLY RUGGED

Built in the USA with a dedication to quality that goes back to 1932, the Bull Run is a utilitarian work boot with a timeless design that stays in style when you punch out. The full-grain leather upper is the perfect blend of strong and soft. Combine that with the sturdy Danner Wedge outsole and you get all-day comfort.

BETTER THAN NEW, BECAUSE THEY'RE YOURS

We build our boots to last, but after years of heavy use even the highest quality materials can wear out. We have an entire recrafting team here in Portland, Oregon, dedicated to repairing many styles of well-worn Danner boots with new components.
